Panasonic ideas for life

The perfect system for your business ... and your budget.

Boost your communication power with a system that ís feature-rich, affordable and ready to grow with you.

Enjoy superb voice quality and a range of business-friendly features.

Yes, the sleek modern design looks great. But with outstanding voice quality and wide range of productivity-boosting features including Bluetooth®-enabled wireless headset support, you can be sure that the KX-DT300 is all business.

The right choice for enhanced desktop usability and comfort.

The phones have large alphanumeric displays, programmable keys, easy navigation key, and double tilt adjustment with separate control for phone base and LCD display. The KX-DT300 series is the perfect combination of features and functionality — and the right choice for all of your business communication needs.

Advanced integration made easy.

KX-DT300 phones are designed for easy integration with other Panasonic telephone platforms allowing easy access to the entire spectrum of phone features and applications.

Streamlined communication power that's better for your business.

These easy-to-use, advanced business-class telephones make for more effective communications in a wide range of business settings, including call center agents, hotel rooms and many others. Whatever your business, Panasonic has the cost-effective solution to meet your constantly changing needs.

Bluetooth® Module for headset
(KX-NT307)

24-Character LCD backlit
(Except KX-DT321 model – 16 character)

Double-Tilt Design
The double-tilt design lets you adjust the base unit and LCD angles to match desks, tables, or any location. The base unit can be adjusted in eight steps, and the LCD moves separately to optimize the viewing angle.

24 Programmable Keys
(Except KX-DT321 model – 8 keys)

Headset Jack

Navigator Key

A Bluetooth Module, KX-NT307*, is available for wireless headset communication.

## Other accessories available:

KX-NT303 add on 12 key module*

KX-DT390 – 60 DSS console*

KX-DT301 USB module

KX-NT303   KX-DT390

*KX-DT346 and KX-DT343 models only
